

# A special invitation to send cards of support to patients and hospital staff

**Calling all children, teens, adults, families, faith community members and anyone else who wants to make a positive impact.**

All are invited to send cards of support and encouragement to patients who are experiencing loneliness due to visitation restrictions, as well as Advocate Health Care physicians, nurses and team members, who are fearlessly and passionately serving during this critical time.

## **Here's how you can help:**

- Purchase or create a card.
- Add a special message of thanks and encouragement. You can include a drawing or other artwork and sign it with your first name if you wish. **The card must be made of paper, and not include any plastic material.**
- Please address your envelope to "STAFF" or "PATIENT" followed by the hospital address.
- Mail your cards to the Advocate Aurora site of your choosing.

**Thank you! Your kind gesture will lift the spirit of patients and staff members!**
