Advocate Aurora Health COVID-19 Resource Center

As we navigate the COVID-19 pandemic together, you can count on us to be here – every day, 24/7. We’re committed to keeping you informed and guiding you to the care you and your family need.

If you think you’ve been exposed to COVID-19 or are experiencing fever, cough or shortness of breath, start with our COVID-19 Symptom checker or call 866-443-2584. Our symptom checker is the quickest way to find out what to do next.

Virtual Visits
You can see a provider 24/7 with a virtual visit on MyAdvocateAurora.org or the Advocate Aurora Health LiveWell app (advocateaurorahealth.org/livewell).

The Advocate Aurora Health COVID-19 Resource Center (advocateaurorahealth.org/coronavirus-disease-2019) provides vital information, including:
- COVID-19 Symptom Checker
- Information about COVID-19 testing
- Helpful information from the CDC (cdc.gov)
- COVID-19 stories from Advocate Aurora Health health enews service (ahchealthenews.com), including The power of social distancing explained in one chart.
- How you can help during this critical time
- Updates on Advocate Aurora Health visitation policies, virtual clinics and more

The Center for Faith and Community Health Transformation (a joint initiative of Advocate Aurora Health and the Office for Community Engagement and Neighborhood Health Partnerships at the University of Illinois at Chicago) continually updates a list of COVID-19 resources, including mental health resources, faith community resources, social service resources and more.

Prevention tips
- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose and mouth.
- Stay home when you’re sick.
- Cover your cough or sneeze with a tissue. Throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Wash your hands often with soap and water for at least 20 seconds.
